Give me nobita story in 5 lines AI

1. Nobita, a young boy with a dream, often finds himself in extraordinary situations due to his time-traveling friend, Gian.
2. One day, Nobita accidentally activates a mysterious device, sending him and Gian to the prehistoric era.
3. There, they encounter a giant dinosaur, T-Rex, who threatens their survival.
4. Nobita, using his wit and courage, manages to tame the T-Rex and returns to his time with Gian.
5. Upon returning, Nobita shares his incredible adventure, inspiring his friends and family with his bravery and ingenuity.

Test your prompt ⓘ

Input:	Output:
nobita cried	Doraemon, seeing Nobita's tears, pulled out a gadget from his pocket: the Time Travel Wristwatch.  "Let's go back in time 10 minutes and help your past self!" Doraemon suggested.  Nobita agreed excitedly. They both jumped through the time portal created by the watch and arrived just before the baseball game. Nobita saw his past self arguing with Gian. He rushed to warn him, "Don't fight! Duck when Gian throws the ball!"
